No 16 28th October, 2022

From the Principal's Desk

Attached is our **Materials and Services notice for 2023**. We have minimally increased fees for 2023 by \$5 per student. The fees will be \$300. We always aim to provide the highest quality learning environments and resources for our students whilst managing the financial burden on families. The government will be giving the same \$100 discount to families as it did this year so essentially you will pay \$200. We invite parents who would like to discuss the notice prior to approval being sought to our next Governing Council meeting. In lieu of attendance at the meeting, parents/caregivers can express their views in writing to the Chairperson of the Governing Council prior to the meeting. We will minute the approval of the charge at our next Governing Council meeting.

6:30 pm Monday November 7th in the library.

Covid Isolation rules ease

The isolation rules have relaxed for COVID patients who show no symptoms. If your child is symptomatic, the Department for Education is recommending your child stays home for 5 days or until they have been symptom free for 24 hours. Children who are symptomatic, regardless of which virus they have, need to stay home and

recover. The **buildings remain as staff only areas**, if you need to make contact with staff please arrange a meeting time.

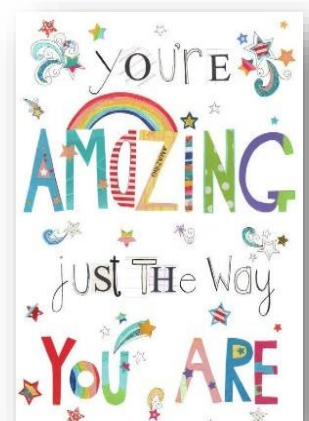

We are beginning our **class placement exercise for 2023**. Our staff will spend many hours over the coming weeks making classes that are well balanced. If you have any pertinent information for us to consider that will assist us in placing your child please email the info address below with a subject heading of "class placement". Requests for a particular teacher will not be considered.

Once again the weather is looking very wet for next week. The sports day committee are meeting Monday morning to check the updated weather forecast and perhaps design a modified day/week of sports day rotations to allow us to dodge the weather. We will let you know on Monday our final decision and the program of events. If rain is forecast we will postpone the colour run to later in the term for warmer weather.

Marg Clark

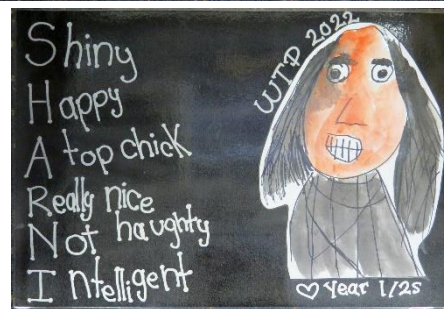

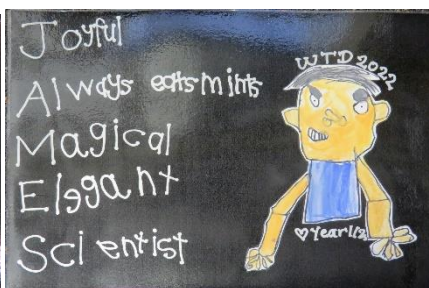

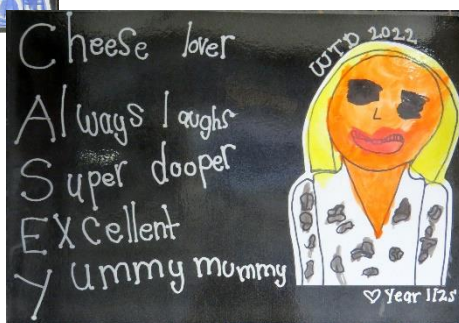

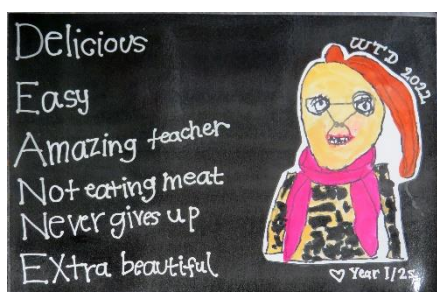

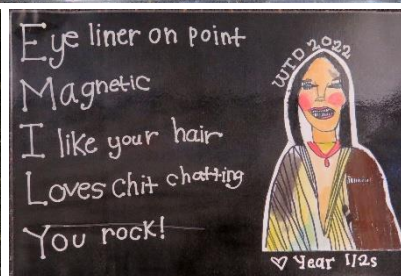

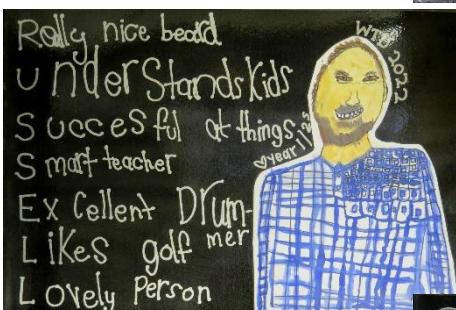

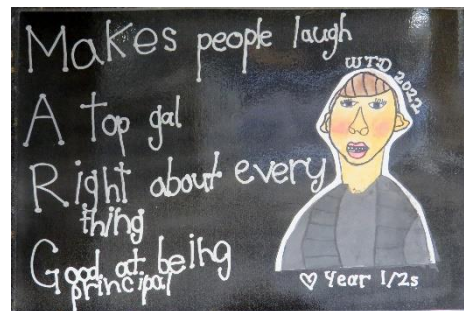

Term 4, 2022	17 th October – 16 th December
November	<p>4th Sports Day (updates on Monday) 2:15pm dismissal</p> <p>7th Governing Council Meeting</p> <p>14th Pupil Free Day</p> <p>18th Fathering Project Launch (Bricks and breakfast)</p>

World Teacher's Day

World Teacher's day recognizes the amazing work done by teachers throughout Australia. It provides the opportunity to say thank-you to those who contribute to education.

Our year 1 & 2 studio classes created some amazing artwork to celebrate our amazing teachers. A lot of thought went into some of the acrostic poems!

Term 4 Science

In the year 5 and 6 classes, we have been covering the topic of chemical science. Specifically, the year 5 group have been learning that solids, liquids and gases having different observable properties and behave in different ways, while the year 6 students have been learning that changes to materials can be reversible or irreversible.

Future investigations will involve irreversible reactions

Photograph one and two shows an investigation we carried out to demonstrate the states of matter, being solid, liquid and gas. Using a candle as a heat source, the students changed water (being a liquid) to steam (gas). We then discussed how we could reverse the process to change the gas back into a liquid and then into a solid. We will follow on from this investigation to melt ice (solid) to a liquid then to gas so the students can discuss the properties of each state of matter.

Diwali in Room 0

Room 0 have been learning about Diwali - the festival of lights.

★ We have learnt the cultural significance of the festival and have seen examples of how it is celebrated.

We, along with the rest of the Reception students, have made our very own Diya's. We made the salt dough and then formed these into our own Diya. We painted and decorated them with glitter and then stuck our candle inside.

We also worked with Shahin (our bi-lingual SSO) to draw Rangoli with chalk on the concrete of our outdoor spaces!

happy diwali

Out of School Hours Care

OSHC provides care for your child before school, after school, school holidays and pupil free days. Ring 83442818 and speak to Jill for more information.

Pupil Free Day

Monday 14th November is a pupil free day. OSHC will be open but bookings are essential. Bookings close 7th November.

All bookings can be made by ringing 83442818

Christmas Vacation Care

Christmas Vacation care closes 6pm, 23rd Decemeber.

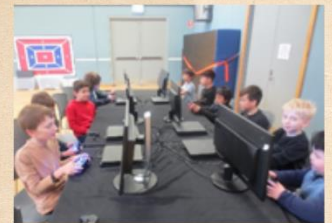

Reopens 7am 9th January 2023

Vacation Care

Inflatable World

Video Games Day
