

# Newsletter

No 19 15<sup>th</sup> December, 2022

## From the Principal's Desk

In this last newsletter for 2022 we would like to take the opportunity to celebrate achievements, recognise contributions, farewell students, teachers and families and say a big thank you. Firstly good luck to all of our Year 6 graduates. It has been a privilege to see you grow as learners, acquire knowledge and develop skills to become compassionate, curious, creative, and resilient learners. Our 2022 Year 6's have been an integral part of our change journey and we have watched them grow into strong capable learners, who can articulate their learning, and take action to make their world a better place.

They have worked side by side with staff to co design new and innovative ways of teaching and learning. I am confident that all of you will make a difference in the world and find and follow your passions.

It has also been a year of great achievement and we are proud of the Awards and recognition we have gained at a National level. Staff work extremely hard to be the best they can be. We have an incredibly committed and dedicated team of teachers and support staff who genuinely care about your children.

I would also like to thank all parents and carers for their support this year. Especially during Covid 19 restrictions.

A great deal of what we do in school cannot be achieved without you and your co-operation and backing. We have many parent volunteers who help with excursions and in other areas of the school, many thanks and we look forward to working closely with you again next year.

Thank you to our governing council for all of the great work they do to build our school community and being part of our school governance. We really do appreciate everything you do to support our children at Prospect North and hope you will be able to continue into next year and re start some of our community events.

We are fare welling a number of staff whose contracts have finished for now, Scott Perry, Angus Ralph and Sarah Clair and Deodra, we wish them the best and may see them back in the future.

Finally, I would like to wish all the students who are leaving us at the end of this year a successful transition to their new schools. I know that they have all had a great start here at Prospect North and will go on to achieve great things in the future.

I wish all our families and friends best wishes for the festive season and a safe and happy holiday break.

Marg Clark

## Year 4/5 Expo

Last Thursday students in room 6 and 7 held a STEM expo. This semester we had been learning about oceans and coastal issues, students had to identify an issue they wanted to explore and then design a solution and prototype to solve that issue. Some of the issues we focused on were over fishing, coral bleaching and rubbish in our oceans. Students thought outside the box to design their solutions, with support after meeting with Nikki Zanardo, a marine biologist and our visit to the marine discovery centre.

## VALO Adelaide 500

Last week room 6 and 7 were lucky to get free tickets to the school fun day at the Adelaide 500. We got to explore the entire venue, including walking through pit lanes to see the cars being worked on. We even got to meet and get autographs from some of the super car drivers!

Scott Pye, who visited our school the week before, recognised us and had a chat. We even met legendary driver Dick Johnson!

They had fun activities for kids to do and lots of racing on the track.

Angus and Steven were lucky enough to race in the main Pedal Prix race on the track, they got to wear full race suits and helmets!

It was a fun day a day a great way to end the school year.

# Year 3/4 Tree Climb

Year 3/4 students from rooms 5, 8 & 9 went on an end of year excursion to Tree Climb this week.

Some students found the activity challenging, and many were worried about the height. However, they battled their fears and everyone had an amazing time! It was great to see the students trying something new and persisting when challenged!

# Graduation

Our year 6 Graduation took place on Tuesday 13th December.

Many of these students have spent their entire primary years at Prospect North, and we will miss them.

We wish all our Year 6's the very best for the future. Don't forget to visit us!

More photos can be found on our website:

# Graduation

Congratulations to all our year 6 students who are graduating this year.

*Congratulations!*
